Art gallery in the heart of Costa Teguiсе in the Centro Comercial de Las Mareta, surrounded by good restaurants/bars and close to the beach and promenade.

We are pleased to be able to offer you this renovated property, once a restaurant, now an art gallery. Originally two shops converted into a gallery, should it be of interest, the pre-installations are there and can be reactivated retrospectively.

The property has a large exhibition room, a storage room and toilets.

The art gallery is tastefully, modernly renovated to the highest standard with high-quality materials and special lighting installations. The entire property can be taken over, as desired, including the artworks, after consultation with the owner/proprietor and artist.
