This gated complex on the edge of Costa Teguisse was originally built in 1988. This up and coming private complex is undergoing a current face lift with new swimming pool and keypad entry gates. Two swimming pools, pool snack-bar, and children's play area add to the appeal of this apartment.

The spacious first-floor apartment consists of a large bedroom, living-dining area with combined kitchen area, bathroom and terrace. The flat needs a complete renovation, but with a little skill and taste it can be transformed into a beautiful home.

Water and Electricity included in the Community fees.

The complex is only minutes from the centre of Costa Teguisse and close to many supermarkets, bars/restaurants etc. It is also within 5 minutes walk from the famous Las Cucharas Beach.
